SUBJECT: Underground Storage Tank (UST) Closure Assessment at Parrish Tire
Company - North Point, 8800 North Point Blvd., Winston-Salem, Forsyth
County

Dear Mr. Rowe:

The information we received on December 22, 1994 is not what we requested at this time. We do have UST closure Report for the subject site, but it does not include the specific information I requested in my letter. In order to determine whether or not the closure was performed in accordance with State and Federal regulations, the Groundwater Section must be provided with the information we requested in my letter dated December 5, 1994 (attached) within 30 days from receipt of this letter.

Your cooperation is appreciated. Please refer to the file name, **Parrish Tire Company - North Point**, on the cover letter of your reply. This will help us speed up the review. If you have any questions please contact me at the letterhead address and/or telephone number.

Sincerely
